Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 12 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry tonight. Showers on Thursday.

This Evening and Tonight:
Any remaining showers dying out quickly during the evening, then dry and largely clear. Becoming chilly for a time, before cloud moves in from the south overnight, with some patchy light rain possible later in the south. Minimum temperature 4 deg C (39 deg F).

Thursday:
A rather cloudy start, this breaking into sunshine and showers during the morning. Showers occasionally heavy or perhaps thundery in the afternoon, particularly in southwestern parts. Sunnier in the east. Maximum temperature 17 deg C (63 deg F).

Outlook for Friday to Sunday:
Cloudy with isolated showers Friday, cloud slowly burning back to the coast. Heavy showers with thunder on Saturday and Sunday, although with some sunny spells. Cool throughout.
